AMENDMENT

With reference to the Office action dated May 24, 2002, Applicants respectfully request reconsideration of the application pursuant to 37 CFR §§ 1.111 in view of the following amendments and remarks.

Please amend the application as follows.

In the claims:

Please amend claim 35 as follows. To facilitate examination, Applicants present a clean version of the entire set of pending claims per 37 CFR 1.121(c)(3).

6. (Twice amended) A method of operating a screen to transition between display of a television signal and display of auxiliary data from an auxiliary data network that delivers data apart from the television signal, comprising:

- displaying a television signal;
- in response to link data conveyed with the television signal, displaying with the displayed television signal an icon, said icon indicating the availability of associated auxiliary data from the auxiliary data network; and
- responsive to a signal from a viewer during the displaying the icon, displaying a graphical control panel operable by the viewer to cause display of the auxiliary data associated with the icon.
